***Allowable Subject Matter***

Claims 1-4,6-18,20-28 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record does not teach the claimed temperature control unit having a heater block across a gap, with the heater comprising an extended portion from the block into the gap to define a contour of the gap under test, with an actuator which moves the heart block to adjust the gap to vary the amount of heat into the gap with a housing to confine the actuator, heater block and the device under test, as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark H. Paschall whose telephone number is 571 272-4784. The examiner can normally be reached on 7am - 3pm.
